

SOLID SURFACE CARE GUIDE

At Bella Vista, we believe your bathroom should look and feel as beautiful as the day it was installed. This guide will help you care for your solid surface products—such as basins and baths—so they remain stunning and perform at their best for years to come. Follow these simple tips for cleaning, maintenance, and proper handling.

INSTALLATION CONSIDERATIONS

Avoid Direct Sunlight

—
Keep your products out of direct sunlight to prevent discoloration and cracking. If this isn't possible, minimize light exposure by using window shades, curtains, or blinds.

Not Suitable for Outdoor Use

—
Bella Vista solid surface products are designed for indoor use only. Any outdoor use will void warranty.

BEFORE INSTALLATION

Check Goods Thoroughly

—
Make sure you have the installation guide handy to complete your installation. Check goods for visible damage before installation.

Professional Installation

—
Any goods damaged due to non-professional installation will void warranty.

Follow Instructions

—
Follow instructions provided to achieve best possible result of your solid surface products.

CLEANING & CARE

Do Not Use Abrasive Scourers

—
Abrasive scourers can scratch your products. To preserve their smooth, sleek finish, use soft cloths or sponges instead.

Avoid Harsh Chemicals

—
Avoid using citrus-based or abrasive cleaners and harsh chemicals, as these chemicals can damage your product's surface and void the warranty.

Surface Dust

—
Use a soft cloth to gently remove dust from the surface of your product and other dry areas.
